BRIEF ABSTRACT OF LETTER.

Reports the appointment of an Inspector under the authority conferred on him by the Sec of the 6th June 1912 sanctioning the entertainment of an Inspector for carrying Co Societies.

NOTES AND ORDERS.

1) The original file relating to G.O. No H. 2738-9/135-12-L of 6th June 1912 is not readily available. A printed copy of the order is put up.

2) The Registrar stated that there were

218 societies on the date of the order in question. For these 218 societies there were then only 5 Inspectors. The same year add 2 more inspectors to the Registrar's staff. As frequent references were being made from the Registrar for increased establishment with a view to avoid considering the same form of question so very often at short intervals formulated a general rule so that it may be automatically worked - one Inspector for every increase of 40 societies to be automatically entertained as soon as the additional number of societies is reached halfway. Now there are 7 inspectors in addition to an Asst. to the Regr. & only 247 societies to look after. To find full work for these 7 existing inspectors there should be at least 7 x 40 = 280 societies in existence. This is apparently the intention of Govt.

3) The Registrar however has

construed the order in a sense favourable to the present appointment being made. & the wording is incapable of this interpretation Subd for orders.

(1) 4) I think the Regr's action is wrong. Under Rule 7 there are 40 each Sch share 280 Schs. there are only 247 therefore there is reason to disbelieve one, the 7th man cannot be added on & when the 40 Soc's has 240+20 or 260 and the 8th man when the 40 Soc's have 280+20 or 300. Whose abbreviation shows premature that may be founded on & this. Has he also intimated the name & the qualification of the new man, which is essential. Maybe the Regr is permitted to ~~report~~ after when it shd receive the application & for this purpose full particulars of the new Emplt shd always be furnished the Magistrate himself to his notice.

8) The appointment of the temporary Inspector by the Registrar of Cooperative Societies is in accordance with Govt orders on the subject.

9) Previous Sanction of Govt thereto is needless as it is temporary and as noted by the late Diwan — "these hands may be automatically entertained as soon as the additional number of Societies is reached midway. Such authority seems to be necessary to save the time that is lost in making application to Government"

10) Nevertheless it is desirable for Govt. to assure themselves that proper men are chosen for the posts. Hence para 2 is inserted in the draft.
